OnBase® by Hyland

Transform. Sustain. Deliver.

Simplify your IT environment and reduce information silos with OnBase, a single enterprise information platform for managing content, processes and cases.

OnBase provides these **capabilities on a *single* platform**:

Enterprise Content Management (ECM)
Leader in the Gartner Magic Quadrant for Enterprise Content Management for seven straight years

Case Management
An award-winning and analyst-recognized case management platform**

Process Improvement
Includes a highly configurable workflow engine

Capture
A multi-channel capture software suite

Enterprise File Sync and Share (EFSS)
Available with ShareBase, a complementary offering designed to interact with OnBase

All solutions and applications built on OnBase benefit from these **core platform strengths**:

Mobile
Native apps developed for iPad®, iPhone®, Android® and Windows® Phone

Integrations
OnBase connects directly to many of your existing applications to simplify information access

Security
Native security options protect your information at rest, in motion and in use

The OnBase platform provides the foundation for solutions across your enterprise. OnBase helps transform state agencies by enabling them to quickly create sustainable solutions that meet business needs and empowering them to become more agile, efficient and effective.

OnBase provides a platform that enables your agency to:

Transform
OnBase is the key to digital transformation, providing a platform for faster, seamless government processes. Processes that are responsive to your customers, faster for your staff and more transparent for your managers. Infrastructure your staff can manage, change and improve.

Sustain
Abandon costly traditions like paper-based content and unsustainable custom-coded solutions with lengthy project cycles that eat up your technology budget. OnBase offers configurable solutions that are financially and technically sustainable, quick to deploy and feature-rich.

Deliver
With a platform you can afford, configure and depend on, you can focus on delivering the business solutions your agencies need, and do it quickly. Lead your digital transformation with OnBase.
