

Hyland Software, Inc.
TX DIR Contract DIR-TSO-4378 Pricelist 10.23.25

Hyland currently holds TX RAMP certifications for the Hyland Managed Government Cloud solution. The certification numbers are TX1427534 and TX992483. Hyland's Government Cloud is separate from the commercial Hyland Cloud solution as well as Hyland's Content Innovation Cloud (CIC) solution. The Hyland Managed Government Cloud has been designed for hosting Hyland products in conjunction with Hyland Managed Services. Hyland Managed Government Cloud products will be identified as such in the product code and name. Hyland is still working with DIR to add approved templates for these purchases and will provide commercial templates in the interim. Existing Hyland customers are encouraged to make plans and budget for a migration (including amendments to existing agreements) to the Hyland Managed Government Cloud to remain compliant with TX RAMP obligations.

Hyland is still working with DIR to add approved templates for Hyland Success Paths purchases and will provide commercial templates in the interim. The Success Paths offering will be identified on the TX DIR pricelist with "Success Paths" in the product name.
